SKILLS

Design

Wireframing
Prototyping
Logo Design
Content Strategy

Research

Usability Testing
User Surveys
Competitive Analysis
Storyboarding

Tools

Sketch
InVision
Illustrator
Photoshop

Languages

HTML5
CSS3
Javascript
jQuery

PROJECTS

Skylake - Cloud Sharing app

Skylake is a cloud redesigned for a faster, cleaner, and more intimate collaboration experience. It directly addresses the competition's four biggest problems - tedious navigation, ambiguous UI, feature bloat, and cluttered workspace. The solution comprises of minimal UI, one-click navigation, organized architecture, and global accessibility of features.

EXPERIENCE

Bloc - UX/UI Design Apprentice | Jul 2018 - Dec 2018

- Implemented user-centric & process-driven design from ideation to testing.
- Empathized user needs via surveys, personas, stories, flow charts, & test feedback.
- Tested and iterate through Lo-Fi/Hi-Fi prototypes with InVision, Sketch, & Illustrator.
- Built cross-platform and responsive interfaces with HTML5, CSS3, and Javascript.
- Created brand identity with logo design, type selection, & style guides.

Booz Allen Hamilton - Strategy Consultant | Feb 2016 - Jun 2018

- Created system plans & technical requirements for \$10 million missile range projects.
- Analyzed schedule & resource conflicts across 20+ Satellite Communication programs.
- Supported GPS proposal by aligning candidates to work statements and drafting resumes.
- Curated career development guides and training courses for 250+ staff to bolster growth.

Siemens PLM Software - System Engineer Intern | Jan 2015 - Jul 2015

- Resolved 100+ client tickets by diagnosing CAD configurations and determining root cause.
- Provided post-sale product and operating system support to high profile customers.

EDUCATION

University of Southern California - B.S. in Mechanical Engineering | 2011 - 2015

- Design for User Experience, Computational Solutions to Engineering Problems

Certifications: ICAgile Certified Professional, Certified SolidWorks Associate
