✎ SKILLS

Design	Tools	Languages	Research
Wireframing	Sketch	HTML5	Usability Testing
Prototyping	InVision	CSS3	User Surveys
Brand Creation	Illustrator	Javascript	Competitive Analysis
Content Strategy	Photoshop	jQuery	Storyboarding

⛑ PROJECTS

Skylake - Cloud Sharing app

Skylake is a cloud redesigned for a faster, cleaner, and more intimate collaboration experience. It directly addresses the competition's four biggest problems - tedious navigation, ambiguous UI, feature bloat, and cluttered workspace. The solution comprises of minimal UI, one-click navigation, organized architecture, and global accessibility of features.

👔 EXPERIENCE

Bloc - UX/UI Design Apprentice   Jul 2018 - Feb 2018

- Apply user-centric & process-driven design under mentorship of two UX professionals.
- Test and iterate through Lo-Fi/Hi-Fi prototypes with InVision, Sketch, & Illustrator.
- Build cross-platform and responsive interfaces with HTML5, CSS3, and Javascript.
- Empathize user needs via surveys, personas, stories, flow charts, & test feedback.
- Create brand identity with logo design, type selection, & style guides.

Booz Allen Hamilton - Strategy Consultant   Feb 2016 - Jun 2018

- Designed regional website, created career guides, and managed training for 250+ staff.
- Created requirements, information architecture, and install plan for $10 million project.
- Managed client base of 150+ government representatives (Air Force, Army, & Navy).
- Supported GPS business & marketing with monthly budget status and executive resumes.

Siemens PLM Software - System Engineer Intern   Jan 2015 - Jul 2015

- Improve product lifecycle management by resolving 80+ CAD software configurations.
- Provided post-sale product and operating system support to high profile customers.

🎓 EDUCATION

University of Southern California - B.S. in Mechanical Engineering   Aug 2011 - May 2015

- Design for User Experience, Computational Solutions to Engineering Problems

Certifications: ICAgile Certified Professional, Certified SolidWorks Associate
